Lengthy discussion with teachers/coaches to try to use the above funds before requesting funds from SAMS.

Also, changes regarding funds may be coming next year. This is still in discussion. May be similar to Boosters, where each group may get a set amt each year. If they need it, they would fill out a funding request per the usual rules. If they don't use it/need it, the money will NOT carry over to the following year. Discussions still in process within the SAMS organization to decide how much this set \$\$ amt will be.

Donations from Concerts go into a petty cash fund that is kept in the band/choir room. In the future will be deposited between the band and choir acct.

The School has BMI acct, should have to pay for licensing as long as the event is in Springville.

Hotels for State include bus drivers & coaches
